

HereNow™ Earplugs

NEW
Patented

Breakthrough Earplugs are the size of a credit card!

Market Need: Have you been at a concert, sports event or work site where you wish you had earplugs?
That's the one big problem with the billions of foam earplugs sold: often they are not on-hand when needed.

workers

Now the millions of people who use earplugs can have them conveniently on-hand whenever needed.

New Solution: HereNow earplugs are the same size as a credit card so they tuck nicely inside a wallet, pocket or purse. Now you can have earplugs on-hand anytime, anywhere they are needed.

Roll up, then compress and insert
- like common foam ear plugs.

- Appeals to the hundreds of millions of people who use ear plugs
- The world's first ear plugs that fit inside a wallet
- Opens **new markets** such as advertising specialty, motorsports and concert markets
- Always on-hand when you need them
- Logo-friendly flat design creates surfaces perfect for imprinting and branding
- Adds to sales without taking away from standard ear plugs
- Inexpensively produced with existing foam materials

The HereNow design provides a flat envelope surface perfect for imprinting and branding

Wallet-friendly ear plugs - always on-hand.
